Dipanjana, I have started drafting the Proposed Plan from information from the RI Report and other reports.

I will be at NARPM next week but plan on having the Draft Proposed Plan to Gary on Friday May 20th or Monday May 23rd as requested by Carlos.

Are you working this Friday or Monday? We could set up a call to discuss any needed coordination on drafting the PP.

Rafael,

I am the human health risk assessor for Gulfco. I will be writing the human health risk assessment section of the Proposed Plan and the ROD. I have started to do work on this. Will you be at work next week so we can discuss it?
